

Faces of In The Light Fund...
the Megonigal family

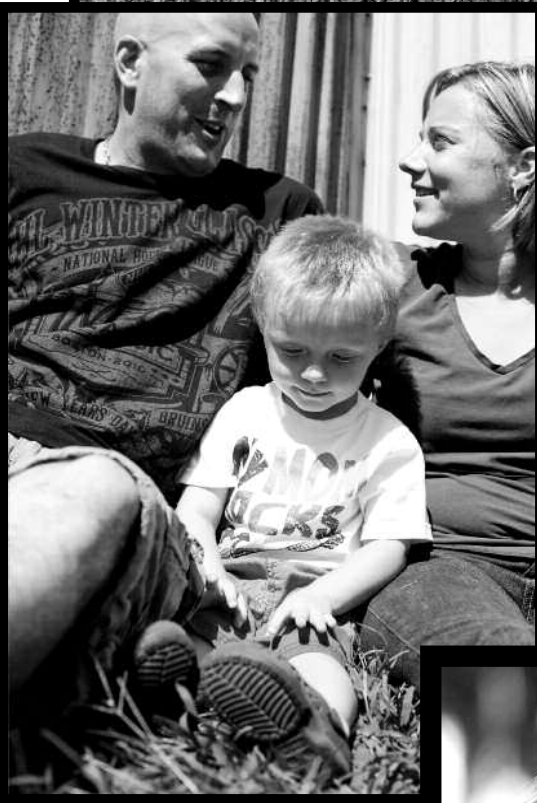

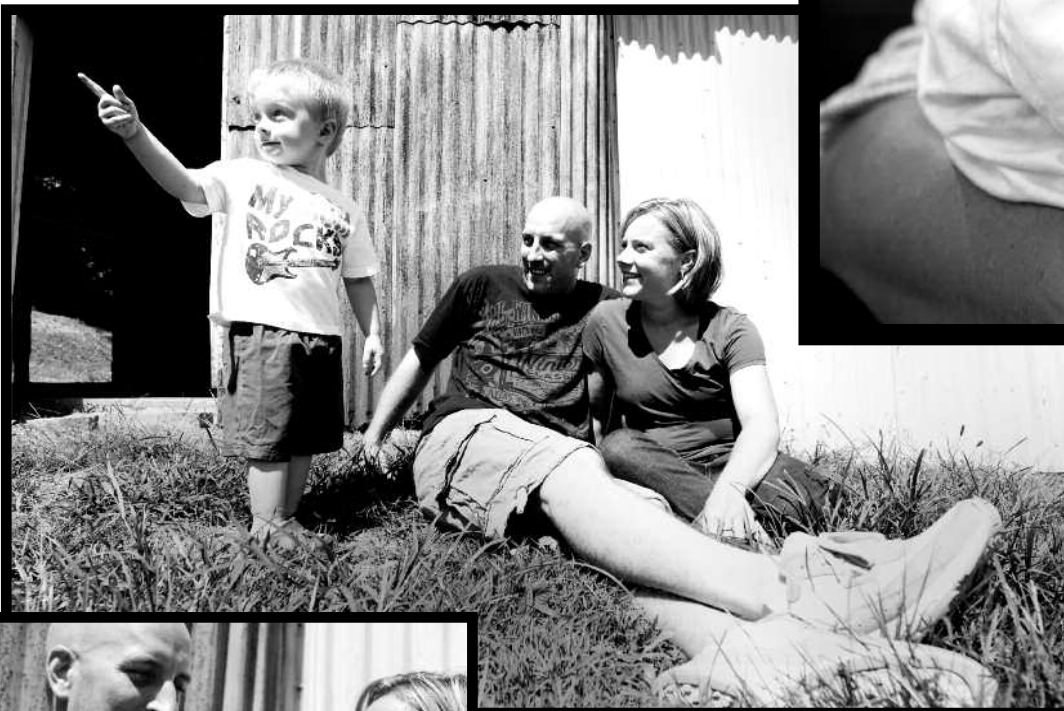

Schwenksville, PA

Avery: Diagnosed with Infant Acute Lymphoblastic Leukemia at 5 months. Lost fight.

Nolan: Diagnosed with Infant Acute Lymphoblastic Leukemia at 4 months. Lost fight.

Calvin: Survivor. Tested regularly as a precaution.

Father: Jeff, 32
Mother: Erin Curtis, 30

we will be working toward normal for a long time. It definitely affects everything we do...

I hope that Calvin has a stronger sense of Mommy and Daddy than other kids...we are very affectionate and we over-react to happiness. Its always the three of us. We are very close.

...our motivations have changed...we know what s important and what s not...

...Its the normal...and you still have hope...
