

# faces of - in the light Jesse Chew

"We're all buying time in our own way... I've always tried to live my days to the fullest, be engaged in what the world has to offer, so I'll just keep doing that."

Diagnosis: Glioblastoma Multiforme (GBM) Stage 4, March 2008

On May 11, 2012, Jesse lost his four-year battle with cancer at the age of 26. We continue to be inspired by the footprint he left on this great, wide world that he loved exploring so much.

"The quest for certainty blocks the search for meaning. Uncertainty is the very condition to impel men to unfold his powers."

-Erich Fromm
